I STRONGLY SUPPORT S.B. 388, H.B. 5412, and H.B. 5415 AND OPPOSE S.B. 16 and H.B. 5416. I myself do not have a gun permit but I do not see why law abiding citizens can not exercise their rights to bear arms with the already strict laws that are in place without having to worry about more laws that just punish them for doing the right thing. I lived in Brooklyn NY for 19 years and it's almost impossible to own a gun there legally and NYC right now is going through a crisis of gun violence. I moved to CT because I felt it was a safe and honorable state don't punish your law abiding citizen for what criminals are doing it will not stop the violence. Thank you
